Open Forum

Planning & Zoning:

Paul stated that he hopes that the Commission will be able to meet this month. He has been working on the corrections in the Ordinances; Ron Rankin is out of town. Paul stated that there was nothing new with the Planning & Zoning Commission that he was still working with Great River Energy about the conditional use permit for the new tower, they still need to get a letter of credit for \$12000.00 so if they don't finish with the requirements the City will have the funds to take down the tower.

Unfinished Business:

The Property Landscape/Roof Plan

Paul stated he was still waiting on the roof plans and was looking for someone with a computer program to make a Design; this will be on next months agenda.

Open Forum

New Business:

Paul asked that the original City map be matted and framed; the glass and frame were broken when the floor was cleaned. Barb made the motion that Paul go and get an estimate to get it reframed, Clyde seconded. The motion carried.

The thermostat in City Hall had not been updated with the rest of the building and is not working properly, Barb made the motion that the Mayor should replace it with a new one since he is familiar with the building. Janis seconded. The motion carried.

Open Forum

Larry Wannebo stated that the City should look into a programmable thermostat to save on electricity and for added convenience. He also mentioned having the original property lines highlighted on the City map with an explanation of them.

Janis made the motion to adjourn the meeting, Clyde seconded. The meeting was adjourned at 7:56 pm.
