The zone between 2000 ft north of County Road 140 (now named Manhattan Point Blvd) to CSAH 1 is Statutory, but is currently posted 45 mph. The sign on southbound 45 mph zone near CSAH 1 will be removed and replaced with either End of Speed Limit or posted at 55 mph. The Department of Transportation conducted Filed Speed Survey tests and indicated drivers are already driving 55mph on this segment of roadway, which Bray said supports the change. Information regarding this is available upon request at the City Hall.
